

INTERNATIONAL CONFERENCE ON FETAL GROWTH

Faculty / Keynote Speakers

Prof Jason Gardosi

Perinatal Institute &
University of Warwick
Birmingham
UK

Birmingham, UK
12-13 October 2026

Short biography

Jason Gardosi MBE MD FRCSED FRCOG is the founder and executive director of the Perinatal Institute in Birmingham and Honorary Professor of Maternal and Perinatal Health at the University of Warwick Medical School. Jason's main interests are fetal growth, perinatal epidemiology and clinical audit.

The Perinatal Institute (www.perinatal.org.uk) is a not-for-profit social enterprise with the primary aim to enhance quality and safety in maternity care. It has received multiple awards including two Queen's Awards for its work to reduce stillbirths in England (2016) and its international GAP program to improve surveillance of fetal growth (2021).
