

INTERNATIONAL CONFERENCE ON FETAL GROWTH

Faculty / Keynote Speakers

Prof Lawrence Impey

John Radcliffe Hospital
& University of Oxford
Oxford,
UK

Birmingham, UK
12-13 October 2026

Short biography

Lawrence Impey is a highly regarded obstetrician and gynecologist based at John Radcliffe Hospital, UK, with extensive expertise in maternal-fetal medicine and high-risk pregnancy care. He is recognised for his contributions to clinical practice, medical education, and research in obstetrics.

Dr. Impey has authored numerous academic publications and educational resources that support evidence-based approaches to women's healthcare. Known for his patient-focused approach and commitment to improving maternal and neonatal outcomes, he continues to play an important role in advancing obstetric care.

His work reflects a strong dedication to clinical excellence, innovation, and the training of future healthcare professionals worldwide.
