Short biography

Asma Khalil is a Professor of Fetal Medicine. She is the Obstetric Lead at the National Maternity and Perinatal Audit (NMPA). She gained her MD(Res) at the University of London in 2008.

Prof. Asma Khalil has published more than 600 peer-reviewed papers, and many published review articles and chapters. She was awarded many research prizes, both at national and international meetings. She was awarded the 2021 FIGO Women's Awards: Recognising Female Obstetricians and Gynaecologists. Her research interests include twin pregnancy, congenital infections, fetal growth restriction and hypertensive disorders in pregnancy.
